  - Never heard of: 25%

- **10/13/2016**
  - Favorable: 44%
  - Unfavorable: 31%
  - No opinion: 10%
  - Never heard of: 15%

- **12/1/2016**
  - Favorable: 44%
  - Unfavorable: 37%
  - No opinion: 12%
  - Never heard of: 7%
Thinking about what you have seen, read or heard about Donald Trump since he has become President-elect has it given you a more favorable or less favorable impression of him?

- More favorable: 47%
- Unsure: 5%
- No difference: 11%
- Less favorable: 38%
Thinking about the recent election for President of the United States
Which candidate did you vote for?

- Donald Trump: 38%
- Hillary Clinton: 42%
- Gary Johnson: 5%
- Jill Stein: 1%
- Evan McMullin: 2%
- Someone else: 6%
- Did not vote for President: 5%
Please tell me which ONE of these statements comes closer to your own view…

(If “Trump” in Q13, Asked of N= 382 Respondents, or 38.2% of Sample)

- 79%: I was definite in my decision to vote for Donald Trump
- 20%: I reluctantly voted for Donald Trump
- 1%: Other/Unsure
Please tell me which ONE of these statements comes closer to your own view…

(If “Clinton” in Q13, Asked of N= 424 Respondents, or 42.3% of Sample)

- I was definite in my decision to vote for Hillary Clinton: 75%
- I reluctantly voted for Hillary Clinton: 24%
- Other/Unsure: 1%
As you may already know, after the election, Donald Trump is now President elect of the United States and Republicans have majority control of both the US House of Representatives and the US Senate. With this in mind…
Which of the following emotions best describes how you feel about the election results?

- Excited: 14%
- Hopeful: 33%
- Concerned: 23%
- Scared: 26%
Some people have commented that the language used during this Presidential campaign was coarse and offensive.

Which of these statements best reflects your view on the sometimes coarse language used in this Presidential campaign:

- This language was repulsive and had no place in a Presidential campaign: 52%
- The language was offensive but understandable given the state of our media environment: 20%
- This language was just the jolt our political system needs: 6%
- This language was not a big deal to me: 18%
Which of these statements best describes how this type of language affected your decision about voting for President? Would you say that it...

- Made you less likely to cast a vote for President: 7%
- Made you less likely to vote for a specific candidate: 33%
- Had no impact: 54%
As you may already know, the Republican Party will be in control of the White House and both houses of Congress, beginning in January. With this in mind, please tell me if you think it is very likely, somewhat likely, not very likely, or not at all likely that action will be taken to deal with the following issues.
